Moreover, as an exercise of fairness and good faith, the decisions by the Board of Directors on appointment of Officer and material transactions, among others, including possible conflict of interest are immediately disclosed to the public.

The team members and team leaders sign off on these goals which becomes the basis for the performance reviews. All team members and team leaders undergo regular performance reviews. This is scheduled every July and January (for performance from January – June and July- December respectively).

Identify transactions that were approved pursuant to the policy.

The RPT Committee, composed entirely of Independent Directors, deliberate on material and significant RPTs across the Group, taking into account the size, structure, risk profile and complexity of the Company's operations.

In 2019, the Company's RPT Policy was amended in compliance with the SEC Memorandum Circular No. 10 series of 2019. The new rule focuses and regulates only material RPTs or RPTs amounting to ten percent (10%) or higher of a company's total assets. The new rule also specified an approval process for material RPTs and mandated publicly-listed companies to notify the SEC of their RPTs that breach the threshold.

The Company's Revised RPT Policy ensures that all RPTs within the group are conducted at arms-length and at market prices, underwent the appropriate approval process, and material RPTs are reported within the period prescribed by the SEC.

In 2021, the AEV Board amended the Revised RPT Policy to further strengthen the review, reportorial, and approval processes of RPTs, particularly those falling below the SEC-defined materiality threshold.

In 2022, the Company did not enter into any material related party transactions and there was no reported case of non-compliance with the laws, rules and regulations pertaining to material RPTs. All RPTs were entered into on an arm's-length basis.

higher of a company's total assets. The new rule also specified an approval process for material RPTs and mandated publicly listed companies to notify the SEC of their RPTs that breach the threshold.

Any RPT involving Directors or Corporate Officers, regardless of amount, require the review and approval by the Board of Directors.

In 2021, the AEV Board amended the Revised RPT Policy to further strengthen the review, reportorial, and approval processes of RPTs, particularly those falling below the SEC-defined materiality threshold. The RPT Committee continued to ensure that related party transactions are taken on an arm's-length basis, within market rates, and with sufficient documentation.

In 2022, the Company did not enter into any material related party transactions during 2022 and there was no reported case of non-compliance with the laws, rules and regulations pertaining to material RPTs. All RPTs were entered into on an arm's-length basis.

2. Board establishes a voting system whereby a majority of non-related party shareholders approve specific types of related party transactions during shareholders' meetings. Provide information on voting system, if any.	Non-Compliant		The Company has adopted the statutory shareholder voter protection requirements under the Revised Corporation Code and the PSE and SEC rules. These require either supermajority vote or majority of minority vote on certain transactions. In addition, all common shareholders of the Company are entitled to the exact same voting rights. In addition, the Board has created the RPT Committee composed entirely of Independent Directors. The Company's RPT Policy also sets out clear guidelines as to the manner in which related-party transactions are presented to the

RPT Committee and the transactions that require action on the part of the RPT Committee. Finally, the Company also presents all Board and Company actions (including all related-party transactions) for ratification at each annual shareholders meeting.

In 2019, the Company has adopted the Revised RPT Policy in compliance with SEC Memorandum Circular No. 10 series of 2019. The new rule outlined the required reporting and approval process for material RPTs or RPTs amounting to ten percent (10%) or higher of a company's total assets, which includes the ratification by the stockholders representing 2/3 of the Company's outstanding capital stock if the majority vote of the Independent Directors were not secured.

In 2021, the AEV Board amended the Revised RPT Policy to further strengthen the review, reportorial, and approval processes of RPTs, particularly those falling below the SEC-defined materiality threshold. The RPT Committee continued to ensure that RPTs are entered into on an arm's-length basis, within market rates, and with sufficient documentation.

The Company amended its Revised Manual and Board Charter during 2022 to increase the quorum and voting requirement to two-thirds (2/3) of the members of the Board.

The Company believes that these measures provide sufficient protection to the interests of minority shareholders insofar as related-party transactions are concerned.

Principle 4: To show full commitment to the company, the directors should devote the time and attention necessary to properly and effectively perform their duties and responsibilities, including sufficient time to be familiar with the corporation's business.

Recommendation 4.1

 The Directors attend and actively participate in all meetings of the Board, Committees and shareholders in person or through tele/video conferencing conducted in accordance with the rules and regulations of the Commission.

Provide information or link/reference to a document containing information on the process and procedure for tele/video conferencing board and/or committee meetings.

Provide information or link/reference to a document containing information on the attendance and participation of directors to Board, Committee and shareholders' meetings.

Compliant

The Company's Revised Manual mandates each Director to devote time and attention necessary to properly discharge his duties and responsibilities. In 2022, the Board of Directors amended the Company's Revised Manual and Board Charter to increase the Director's attendance requirement from 50% to 75% of all the Board, Board Committees, and Stockholders' meetings.

To this end, Directors are given the opportunity to attend and actively participate during Board and Committee meetings remotely via a secure online platform whenever they cannot physically be present at the scheduled meetings.

In addition, the Company held its 2022 Annual Stockholders' Meeting virtually for the third consecutive year, which was attended by all of the Directors.

These meetings were conducted in consonance with SEC Memorandum Circular No. 06, Series of 2020 on the participation of directors in regular and special meetings through tele/video conferencing and other remote or electronic means of communication.
